Dear Retirees,

Welcome back to Solano Community College!

I want to personally thank you for your support of Solano Community College through your many purchases of bricks, not just for the Heritage Courtyard but for the Vallejo campus as well as the second "brick garden" site at the Fairfield campus.

The members of the Board of Directors of the Solano Community College Educational Foundation join me in acknowledging your many years of service to the College during your career here and your ongoing support of our students. We are lucky to have such dedicated and appreciative supporters such as all of you.

The funds raised from our ongoing brick campaign will provide scholarships for students to pursue their dreams, and you are making that happen for them.

I wish you much happiness and health in the years ahead, and I look forward to sharing our passion for Solano Community College in future endeavors.

Once again, thank you for being such a wholehearted supporter of our College.

Sincerely,
